## Fine Art Scanning

### Rate Per Hour

**£30**

Creating Print Ready Files From Originals

### Our Flatbed scanning service includes

- Full colour management setup
- File revisions (if required)
- TIFF version of your artwork (master file)
- JPEG version of your artwork upon request (print ready file)
- Free image archiving
- 10% Off Printing costs relating to the scanned artwork
- Priority service available on request for additional costs (Subject to availability)

### Additional Charges

Scanning a material or artwork which requires extra setup to digitise. We can assess the charge when you drop off your artwork.

- Priority Service - £25 (1-2 business days for proof copy)
- 600dpi scanning for enlargements - £10
- Un-framing and Re-framing service - £15.00 per hour.  
This service includes cleaning and preparing the frame to be resealed.
- Additional retouching - £10.00 per hour.  
We offer an editing service for anything outside of what is included in our standard service.

### Set up Fees 300dpi scan

If you only want the artwork scanned with no editing or colour management.
